

# Grand Rapids Rowing Association Waiver for Water Temperature Rules

I, \_\_\_\_\_, affirm that:

- a) I am a current member in good standing with the Grand Rapids Rowing Association (GRRRA);
- b) I am GREEN CERTIFIED by the GRRRA;
- c) I petition the Board of Directors of GRRRA to be exempt from the water temperature rules that are found on the GRRRA website;
- d) I acknowledge that exemption from WATER temperature rules does NOT exempt any rower from the AIR temperature rules or the inclement weather rule of the GRRRA, and that these rules apply irrespective of any exemption from water temperature rules;
- e) I acknowledge that rowing in extreme environmental conditions is particularly hazardous, thereby increasing the risk to the rower, including the risk of serious injury or death, and that I personally assume any and all risk associated with rowing in such conditions, and thereby agree to hold GRRRA harmless against any and all claims of negligence or liability arising from such activity.
